SKU Requirements

When setting up your store and your individual products, you must setup your SKU codes for each garment into our specific structure to allow us to process your orders.

Example SKU Code

SM01_FB_N03_Black_Small_Neck

SM01 - This represents the Artwork code that you wish us to print onto the garment. If your design is single sided, the file should named SM01.png. If your design is double sided the files should be named SM01_Front.png and SM01_Back.png

FB - This represents if the garment is single or double sided, F would represent a front print only, B would represent a back print only and FB represents a front & back print.

N03 - This is the garment code. Insert the garment code that you wish this product to be printed onto, for example N03 for the Continental Clothing N03 garment, or GD01 for the Gildan Softstyle garment.

Black - This represents the garment colour.

Small - This represents the garment size.

Neck - This represents any extras that you might require, for example Neck would represent a Neck transfer is required.

Extras SKU codes:

Neck - Represents that a neck transfer or label is required

Flyer - Represents that a flyer must be inserted with the order

Hem - Represents a Hem Label is required

Swing - Represents a swing tag

FAQ's

Y o u r f r e q u e n t l y a s k e d q u e s t i o n s

What is the turnaround time on Order Fulfillment?

Our turnaround aim for all orders is 3 working days, however typically your order will be shipped faster than this. During busy periods or spikes in orders, production times can vary.

What if a garment is out of stock?

If you receive an order for a garment that is out of stock, we will contact you to request instruction on what to do. A replacement can be used if required.

Do you handle returns?

We can accept returns at our address however, you will not be refunded for the order. Returns will be collected and shipped back to you in bulk.

What if a customer wants to change their order?

We process all orders in bulk at 9am each day, if the order has already been processed by the system then the order can no longer be changed by the customer.
